Targus

TES010EU | Targus Hughes™ Leather Portfolio Slipcase for iPad®

The Targus Hughes Leather Portfolio Slipcase is designed specifically to protect the Apple iPad®. The durable exterior and soft interior twill lining protect the iPad from dust and scratches during transport. Constructed of smooth oil-tanned leather material, the sophisticated case has the look and feel of a high-end executive portfolio. Whether transporting the Leather Portfolio Slipcase between meetings or inside of another carrying case for added protection, the Hughes Leather Slipcase Case provides a first class appearance throughout its travels.

Oiled Leather:
The process of oiling leather dates back hundreds of years. After smoothing the surface, this quality leather is then infused with natural oils to create a highly durable yet supple material that continues to develop, soften and conform to your body for a comfortable, ergonomic fit.

Protection – Designed specifically to protect the Apple iPad™

Function – Helps protect against scuffs and dust

Material – Constructed of durable, smooth oil-tanned leather material; features strong magnetic closure
